

My Connected Car App and Web

Installing a Vodafone Automotive stolen vehicle tracking system automatically gives you access to our mobile application and web. With My Connected Car, you can access and manage a number of your vehicle **security and safety** functions remotely. My Connected Car provides **easy access to vehicle information** such as real-time vehicle location, directions to the vehicle and geofence ability.

My Connected Car app features:

Live Vehicle Location

Including satellite Google maps viewing

Trip reports

See your latest and historical journeys including distance travelled as well as average and maximum speed

Car Finder Route (Driving and Walking)

Can't remember where you parked? Car finder shows you the quickest way to get back to your vehicle

Geofence

Set a Geofence zone and receive an in-app notification if vehicle enters or leaves that area

Special modes

Simply activate Garage Mode or Transport Mode without the need to contact our customer service team

Speed Alert

Set a specific speed limit and receive an in-app notification if you exceed that limit

SOS button

direct to the Vodafone Automotive Secure Operating Centre

Multiple vehicles

Up to 10 vehicles available in one account

Self-Diagnosis

Perform your own system health check
